

# **Book Tests by Caplarjan**

**Book Tests by Caplarjan supplies objective tests covering a selected list of mostly upper-elementary-level and junior high-level children's books, several of which are Newbery Medal and Newbery Honor books.**

**These tests are objective tests made up of the following types of questions: true-or-false, matching, and multiple-choice.**

**Each test is designed to determine if a reader has read the book from cover to cover, not to determine if the reader understands the deeper meanings in the book.**

**Because these book tests were created for use by public- and private-school teachers, we ship only to school addresses, not to residential addresses.**

**The cost of each test is \$3.**

**Each test unit includes**

- **A reproducible copy of the test**
- **A separate test key with spaces provided for recording names, dates, and scores of test takers**
- **A reproducible copy of a recommended answer sheet**

**Shipping & Handing for each order is**

- **\$3 if you order 1 to 10 tests**
- **Free if you order 11 tests or more**

**NOTE: You must supply a school name and address on your order form. Orders will not be filled if the name and address you supply cannot be verified as a valid school name and address.**

**To order**

- **Print a copy of the order form below**
- **Complete and mail your order to Larry L. Capps, Caplarjan Enterprises, 4107 North Pottenger Avenue Shawnee, OK 74804**
- **Check "Bill Me" and include a P.O. number if your school is paying, or enclose payment with your order.**
